

FEAST

of the
HUNTERS' MOON

SEPTEMBER 30 - OCTOBER 1, 2017

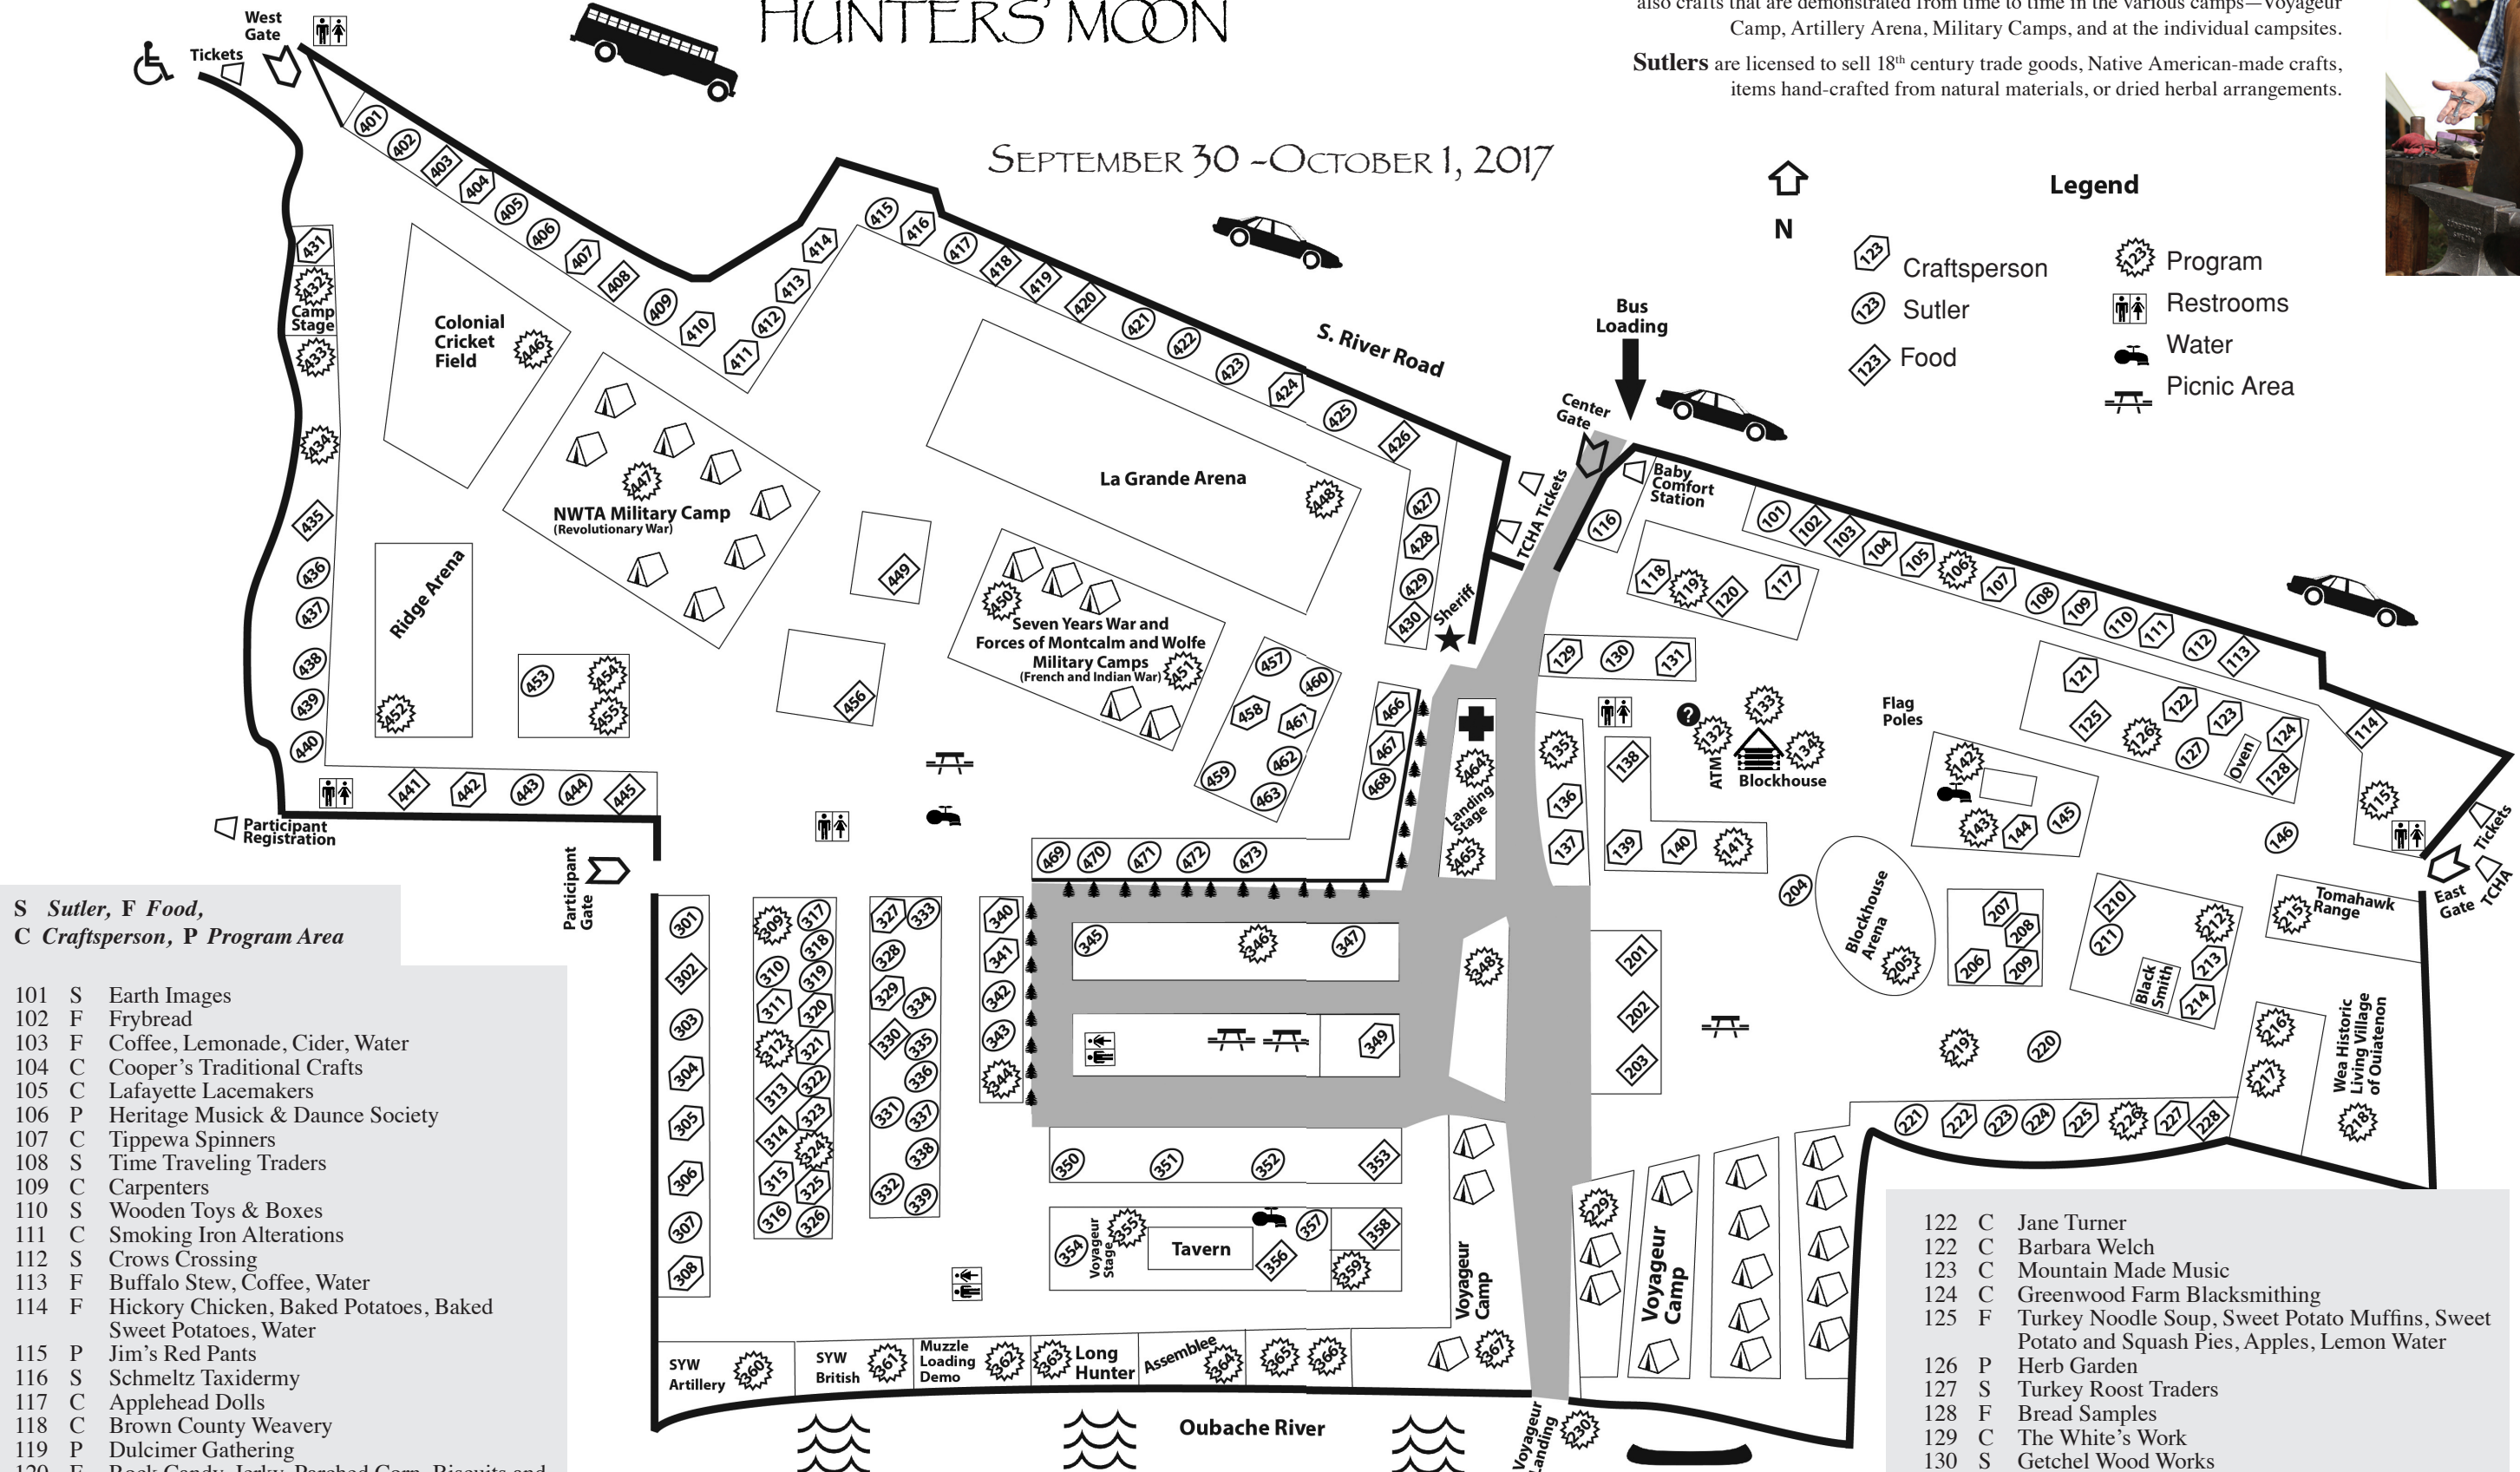

Traditional Craftspeople are those who make products in the style of the 18th century, using only materials and methods available at that time. Their license to demonstrate and sell at the Feast will designate them as "Craftspeople." There are also crafts that are demonstrated from time to time in the various camps—Voyageur Camp, Artillery Arena, Military Camps, and at the individual campsites.

Sutlers are licensed to sell 18th century trade goods, Native American-made crafts, items hand-crafted from natural materials, or dried herbal arrangements.
