

## **I-65 Ramp Closures and restrictions scheduled to start on/after Sept. 9**

### **INDOT Websites:**

<https://511in.org/list/events> Provides up to date road closures in a list format.

<https://511in.org/> Interactive INDOT Map with layers which can be selected or deselected as needed.

As to your question on those coming from the North who may have normally taken I-65. There are SEVERAL construction projects ongoing on I-65 from Merrillville to West Lafayette. ST RD 43 North at West Lafayette being closed also greatly hampers travel coming from the north.

- From Northeast- I-65 South to the US 24/231 (Exit 201). Exit at the Wolcott/Remington. Go west on US 24 to St Rd 41 and continue South. At Fowler take the US 52 Exit and continue to US 52/US 231 S on the outskirts of West Lafayette to South River Rd.
- From the Northwest US 41 South to US 52 South to US 52/US 231 S on the outskirts of West Lafayette to South River Rd.

Other construction which will impact Drivers:

### **Within the City Of Lafayette & West Lafayette**

- US 25W/52/Teal Rd.- On going major construction to continue on Teal Road from US 52 S. all the way through to US 231 S. (Elston). For those coming up from the South on US 52, I would suggest taking Veterans Memorial Parkway which is on the southern edge of the city all the way West to US 231 and across the river to River Rd.
- St Rd 43 North ( North River Rd.) between West Lafayette & I-65 will remain closed through October. For those coming north on I-65 who normally get off at the SR 42/ West Lafayette exit. I would suggest getting off at ST RD 28W then north on US 52 to Veterans Memorial Parkway on the South side of the city then West to US 231 and then onto South River Rd to the Fort.

### **I-65 North of Lafayette**

- NEWTON/JASPER CO.- Between W 850 S and W 700 S (34 miles south of Crown Point). The left lane is closed. The left shoulder is closed. Look out for construction work. The right shoulder is closed. Speed limit 55 MPH. From 9:00PM CDT to 6:00AM CDT on weekdays and Saturday.
- NEWTON/JASPER CO.- Between IN 16 and W 850 S (31 to 32 miles north of Battle Ground). Bridge construction work is in progress due to road construction work and because people are working in the median.
- NEWTON/JASPER CO.- Between W 850 S (32 miles north of Battle Ground) and W 600 S (33 miles south of Crown Point). The right shoulder is closed. Look out for a new road layout. There is a width limit in effect. Speed limit 55 MPH.

Construction work I-65 in both directions, between W 850 S (32 miles north of Battle Ground) and W 600 S (33 miles south of Crown Point). Look out for construction work. The right shoulder is closed. There is a width limit in effect. Speed restrictions are in force. Truck speed limit 55 MPH. Width limit 10'5".

- TIPPECANOE CO.- Between IN 25 (2 miles north of Lafayette) and W 725 N (1 mile north of Battle Ground). A lane is closed due to road construction work. Width limit 12'0". Until August 31, 2022. I-65 NB & SB will be restricted between the Wabash River and approx 2.5 miles north of SR 43 to construct added travel lanes with a width of two 11 ft lanes and a 1 ft shoulder. 24 ft total road width. During night time only as required, I-65 will be restricted to 1 lane to strengthen shoulders. This portion of the project is prep work for the larger construction and continuation of 4 lane North & Southbound to Merrillville Ind.

### **I-65 Through Lafayette**

- Several areas are in final stages of completion and continue to impact Traffic Flow

### **I-65 South of Lafayette**

- BOONE CO.- At IN 47 (5 miles north of Lebanon). Look out for construction work. The entrance ramp is closed. Until November 1, 2022
- MARRION CO.- I-65 @ I-70 Split, Between Exit 111 and Ohio St in Indianapolis. The road is closed to traffic because of major road construction work. Until October 17, 2022
- MARRION CO.- I-65 through Indianapolis closed through end of October 2022. Suggested Detour traveling North is I-465 West.

### **ST RD 38 in Dayton Ind.**

- Between Conjunction St and Adams Rd (Dayton). The road is closed. See map for detour(s). Until November 12, 2022 at about 6:00PM EDT. SR 38 is Closed to Thru Traffic from Conjunction Street East to Adams Road. The road will be closed from 6 am April 4, 2022, until 6 pm November 12, 2022. The road is closed for pavement replacement and utility improvement.

### **ST RD 225 in Battleground Ind.**

- Between Old Sr25 and Houston Rd (1 to 2 miles east of Battle Ground). The bridge is closed. Road maintenance work is in progress. Until July 1, 2024

### **ST RD 28 Between ST Rd 231 & ST RD 52**

- Between S 700 E and US 52 in Tippecanoe County. The road is closed, until October 31, 2022. SR 28 Road Closed from CR S 850 E to jct SR 28/US52 due

to roadway rehabilitation. SR 28 will be open to local traffic and emergency services only.

### **US 41 North of Lafayette (Newton Co.)**

- Between US 24 and IN 114 (Kentland). Look out for construction work. Bridge construction work is in progress. Construction traffic may be merging. Be aware of narrow lanes. There is a width limit in effect. Speed restrictions are in force. A mandatory speed limit is in force. Look out for a new road construction layout. Expect changing traffic patterns. Speed limit 45 MPH. Width limit 11'0". Until November 1, 2022 at about 8:00PM CDT.

### **ST RD 26 Between US 41 and IN 55 (7 miles west of Pine Village).**

- The road is closed. Look out for construction work until October 31, 2022.
- Operation: Road rehab on SR-26 (Resurfacing, widening, and structure replacements). Phase 1 closure on SR-26 between US-41 and Meridian Line until 7/22/22 at 6PM. Local access only. Phase 2 closure on SR-26 between SR-55 and Rainsville Rd until 8/9/22 at 6PM.

### **I-74 Covington & Veedersburg Area**

- Between S 550 W and N CR 300 W (6 to 13 miles west of Veedersburg). Look out for construction work. The left lane is closed. Until November 30, 2022.

### **US 41 South of Attica**

- Between US 136 and Rob Roy Rd (4 to 12 miles south of Attica). The bridge is closed. Until November 12, 2022. Bridge replacement on US41 over Coal Creek 2.5 miles south of SR55. US41 will be open to local traffic up to the hard closure at the Coal Creek bridge.
