The Past is Yours to Savor

At this historic reenactment you can recapture 18th century life at Fort Ouiatenon — the first fortified European outpost in what is now Indiana. Continuous, free programming is held on five stages. French and Native American music and dance, fife and drum corps performances, military drills and demonstrations, fashion shows, and games and contests can be enjoyed at the 59th celebration of this event. Special hands-on activities include the children's trade blanket, children's costume try-on, candle-dipping, story telling, bead bracelet making, cross-cut sawing, and tomahawk throwing.
